## My Happy Little Song

Hello, hello, how are you?  
I hope you're feeling good too.  
The sun's still shining bright and strong,  
Let's sing a happy little song.

La la la, sing with me,  
We'll be happy, you and me.  
La la la, come along,  
Let's sing a happy little song.

Red and blue and yellow too,  
Colors bright, just like you.  
Let's clap our hands and dance around,  
We'll have fun, without a frown.

La la la, sing with me,  
We'll be happy, you and me.  
La la la, come along,  
Let's sing a happy little song.

Goodbye, goodbye, it's time to go,  
But we'll come back, don't you know.  
We'll sing and dance and laugh and play,  
It's been a wonderful day.

La la la, sing with me,  
We'll be happy, you and me.  
La la la, come along,  
Let's sing a happy little song.
